### **■ Online Forum ■**

#### **Evaluating the LTYE programme · Significance and future development of the Y-AIR**

The LTYE-London/Tokyo Y-AIR Exchange Programme, which has been held since 2015 as one of the practices of the Y-AIR concept. After the exhibition Ai mi Tagai and the forum in Tokyo in 2019 for the fifth-year anniversary, the global pandemic of the new coronavirus forced the cancellation or postponement of our planned exhibition in London and AIR since then. The situation is changing and we are beginning to see the some developments under various restrictions.

We would like to invite LTYE experiencers, educators and administrators and create an opportunity to evaluate LTYE by collecting and connecting diverse values, such as the impact of the LTYE experience, subsequent life and behaviour, and personal stories. The significance and future development of the Y-AIR will be discussed from the perspectives of experiencers, educators and administrators.
